

To whom it may concern,

My name is _____ and I play volleyball for the Club Cochise Volleyball Association. I am seeking sponsors from local area merchants, family and friends to help support my upcoming season. My total cost to play is \$525. Any Size donation you can provide will help me reach this goal and allow me to participate with the club this season. Participation with the club has the potential to open doors to future opportunities and even scholarships to play collegiately. Your donation would help give me these opportunities.

Club Cochise Volleyball Association (CCVA), part of the USA Volleyball (USAV) Junior Olympic volleyball program is committed to providing quality training to all athletes age 12 - 18 who reside in Cochise County. CCVA is a non-profit organization.

Club volleyball is a training program to improve and master fundamental volleyball skills. Emphasis is placed on conditioning, developing skills, commitment, teamwork, game and tournament experience, parent participation, and preparation for upper level play.

It is the mission of CCVA to give each Club volleyball member a competitive sports experience that will contribute to their own physical and psychological well being.

To donate you can either give an anonymous donation directly to me (the athlete), or you can make a donation to the Club. The Club will then recognize you on the Club website, and provide you with the Clubs Tax ID number for your records.
